

## Eurovisionista Voting App – Semi Final 1 2015

### Full Voting Breakdown

The voting was carried out using a custom web app designed and written by Eurovisionista. Below is a full breakdown of the votes received by each country from the fans that voted. The countries are listed in the order they finished with our voters from highest to lowest.

**This final order differs slightly from the scoreboard. Armenia is shown in 9<sup>th</sup> place on the scoreboard but after looking at the vote breakdown, they actually finished in 10<sup>th</sup> with The Netherlands moving up 1 place.**
